

Liberty Mutual Named Best Workers Compensation Insurer

Liberty Mutual has won the 2010 Readers Choice Award from *Business Insurance* magazine.

Chosen by the people

Business Insurance invited readers of the newsmagazine and *BusinessInsurance.com* to cast their votes for the companies they believe offer the best combination of service, value, quality, and innovation.

We are pleased to once again win this award. It is reflective of our commitment to and deep expertise in workers compensation. Together, with our agent/broker partners, we offer superior products and consistently deliver better claim outcomes. In everything we do, we strive to lower the total cost of risk to our customers.

TOP HONORS FOR LIBERTY MUTUAL

- 2010 and 2009 Greenwich Excellence Award for best middle market insurance carrier quality
- 2010 Greenwich Excellence Award for best middle market insurance carrier quality in the Northeast, South, Midwest, and West regions
- 2009 Greenwich Excellence Award for best middle market insurance carrier quality in the Northeast, South, and West regions

Did you know?

- Liberty Mutual closes workers compensation claims 15% faster than our competitors
- Medical expenses for injured workers are 5% below the industry average
- We have the industry's largest staff of full-time Regional Medical Directors who review more than 13,000 workers compensation cases annually
- Our pharmacy costs as a percentage of total medical expenses are consistently lower than the industry average

At Liberty Mutual, we offer flexible coverage and programs and a highly experienced team of claims, loss control, and account service professionals. With nearly 100 years of experience, financial strength, and stability, it's no wonder we're the nation's #1 workers compensation insurer.
