SERVING THE INSURANCE NEEDS OF BEHAVIORAL HEALTHCARE AND SOCIAL SERVICE PROVIDERS

Founded in 1960, Negley Associates is the leading underwriting management firm in the US, serving the insurance needs of behavioral healthcare agencies and related social service organizations.

We are committed to providing outstanding service to our insured clients and to the insurance professionals who market our products.

We are proud of our leadership in the development of innovative insurance policies designed to meet emerging coverage needs.

We also manage the Mental Health Risk Retention Group (MHRRG) which is entirely owned by non-profit providers of behavioral healthcare. The MHRRG is accessible and commissionable to insurance brokers.

OUR MISSION IS SIMPLE
To provide the best insurance solution so that our insureds have peace of mind and can focus on what they do best – the delivery of behavioral healthcare and social services to their clients.

Our programs are endorsed by two major associations in the field of mental health.
