

## WORKERS COMPENSATION

Negley's comprehensive underwriting, claims and loss control programs assist you in reducing exposures that unnecessarily expose workers to injury and help you avoid accidents, improve your claims experience and lower your overall costs.

### Why Choose Negley?

- >> Negley Associates has been providing superior insurance products to the Behavioral Healthcare and Social Service industry for over 45 years.
- >> Superior knowledge of your clients business needs.
- >> Unmatched loss control services offered at no cost to all insureds through our partnership with a preferred carrier.
- >> Competitive premium and exemplary service.
- >> Offering our brokers a competitive commission.
- >> Available on a monoline basis or in conjunction with Negley's Behavioral Healthcare/Social Service Package.
- >> Payment plans available.
